

King's Rochester Sports Centre Safeguarding Policy Statement

King's Rochester Sports Centre acknowledges the duty of care to safeguard and promote the welfare of children and adults at risk. The club is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice. A copy of the club's full safeguarding policy is available from reception at King's Rochester Sports Centre.

The club's safeguarding policy recognises that the welfare and interests of children and adults at risk are paramount in all circumstances. It aims to ensure that regardless of age, ability or disability, gender reassignment, race, religion or belief, sex or sexual orientation, socio-economic background, all children:

- have a positive and enjoyable experience of tennis at King's Rochester Sports Centre in a safe and inclusive environment
- are protected from abuse whilst participating in all sports and activities.

King's Rochester Sports Centre acknowledges that some children, including disabled children and young people or those from ethnic minority communities, can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

As part of our safeguarding policy King's Rochester Sports Centre will:

- promote and prioritise the safety and well-being of children and adults at risk
- ensure everyone understands their roles and responsibilities in respect of safeguarding and is provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and adults at risk
- encourage and maintain a culture where people feel able to raise a genuine safeguarding concern and are confident that it will be taken seriously
- ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern
- ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored
- prevent the employment/deployment of unsuitable individuals
- ensure robust safeguarding arrangements and procedures are in operation
