Important Information

All Functions booked at King's Rochester Sports Centre (KRSC) must have a signed booking form, and a paid damages bond deposit.

The person signing the booking form is deemed to be the hirer of the room. This person must be over eighteen years old.

On receipt of the booking form and deposit, confirmation of your booking will be granted.

The hirer must represent the purpose in which the room will be used. Any misrepresentation may result in a cancellation of your function.

Under no circumstances must the hirer sub-let the room in which they have originally booked.

The hirer must ensure the amount of guests does not exceed King's Rochester Sports Centre's stated capacity of 120 people, 70/80 of which we can accommodate seated.

The damages deposit will be returned 24 hours after the events start time and following an inspection of the facilities and there being no damage to the Centre whilst the event has taken place. The Sports Centre Manager's decision is final.

A set level for the damages bond will depend upon the type of function and will be discussed upon booking.

King's Rochester Sports Centre has the right to refuse bookings at the Centre at their own discretion.

Deposits will not be returned in the event of the booking being cancelled within four weeks of that booking.
